REFEREE'S CORNER:

I want to take this opportunity to thank all the racers that participated in Desert MC's 43rd running of the AMA/Kenda National Hare & Hound. Congratulations to Kurt Caselli, David and Destry Abbott on their finishes. DMC members and I also want to express our sincere appreciation for all the wives, girlfriends and children for helping to operate the sign-up, T-shirt sales and others behind the scenes that make this race a success every year. Without the support of the families donating precious time needed for scouting, marking and running our race, it would be a much more difficult task. Additionally, a special thanks to our loop captains, Loop 1 Chris Kallen and Loop 2 Clayton Lyon. These loop captains and their crews did an outstanding job laying out one of the best courses in recent history. We all appreciate the co-operation of you, the racers in observing pit speeds and District 37 guidelines regarding number plates. Finally, a huge thank you to Rescue 3 for always being there and serving the District. See you next year.
